Karaoke

1. Discussion

The Division of Enforcement & Licensing has recently received several inquiries regarding the authorization of karaoke on the premises of licensed establishments. The most recent version of the Safer at Home documents allows “live entertainment” in a limited capacity; however, it does not address the authorization of audience participation (i.e. karaoke).

The New Hampshire Attorney General’s Office has provided guidance on this topic and karaoke will be authorized **OUTSIDE** only and all participants need to use their own microphone. Sharing of microphones is not authorized.
